The Kiwanis Club of Geneva's Soap Box Derby race program is able to exist through the active participation of the parents and racers. Without this volunteering this association would be severely handicapped in its ability to sponsor a racing program. I understand that my car must pass inspection and impound before competing on race day. I am willing and desirous that my child becomes an active participant of the Kiwanis Soap Box Derby. I will make every attempt to assist him/her in observing the rules of the association. In consideration of the benefits derived from membership, I hereby voluntarily wave any claim against the Kiwanis club of Geneva or any member of the same for any and all causes, which may arise in connection with the activities of the association. As Parent/guardian I understand the Kiwanis Club of Geneva is an active one for my child, which requires my participation at races, including but not limited to assisting in track setup and tear down.
